

## EPAC Community Referral Form

The Early Pregnancy Assessment Clinic is a clinic run by a team of Registered Nurses & Obstetricians through the Women's Health and Newborn Care Program at St. Joseph's Hospital. The clinic is available to support patients in the management of early pregnancy complications or losses under 12 weeks and 6 days. We accept referrals of patients who meet the following criteria:

1. Stable. If hemodynamically unstable or an ectopic suspected: Send directly to ER
2. Early Pregnancy Loss under 12 weeks and 6 days (missed abortion):
  - CRL > 7mm with no fetal heart rate
  - Mean sac diameter of >25 mm with no embryo present
3. Pregnancy of unknown location
4. Pregnancy of unknown radiological viability

### REASON FOR CONSULTATION

Pregnancy of unknown location\* (positive beta HCG but no intrauterine pregnancy or ectopic)

Uncertain radiological viability

○ Gestational sac <25 mm with no embryo **OR** Embryo <7 mm present but no fetal heart rate

Failed early pregnancy (missed abortion, retained products).

**Please fax this referral form & copies of Ultrasounds, CBC, Blood type and Quantitative Beta HCG to 905-521-6117 (ext 36117). An RN from the clinic will follow-up with the patient to make an appointment. The clinic operates Mon-Fri 8:00 A.M-4:00 P.M. Please page the on-call OB at 905-522-1155 ext 33311 with any urgent referrals needing immediate triage (i.e: molar pregnancy or ectopic). The clinic DOES NOT review referrals on a daily basis.**
