

## PLEASE DO NOT FAX COVER PAGE

The Mental Health and Addiction Program at St. Joseph's Healthcare Hamilton specializes in the assessment and treatment of mental illness and addiction. We offer evidence-based services in anxiety disorders, mood disorders, schizophrenia and psychotic disorders, neurocognitive disorders, eating disorders, borderline personality disorder and emotion regulation difficulties, substance use disorders, mood difficulties related to the reproductive cycle, and dual diagnosis (combined mental health concerns and intellectual disabilities). The services are primarily offered for transition aged youth (17-25), adults and seniors.

**Questions about the referral process? Please call: 905-522-1155, x. 36499, or Email: [connectmhap@stjoes.ca](mailto:connectmhap@stjoes.ca)**

**In order to help us provide the best care, please include the following (if possible):**

- Relevant lab and test results
- Previous psychiatric consultations or discharge summaries
- List of medications (past and present medications, please attach pharmacy medication list)
- Physical findings
- Psychological/psychiatric reports

**Please note for the following services:**

- For the **Assertive Community Treatment Team (ACTT)**, please **fax** completed form to
  - Hamilton ACTT (ACTT1 and ACTT2) - Fax 905-528-8442
