

How to get in a car with your sore knee

To get into a car, follow these 5 steps:

Step 1

Have your driver:

- Open car door fully.
- Roll down the window.
- Move bottom of seat as far back as it will go.
- Tilt backrest.

Step 5

- Sit up straight or lean back.

- ✓ You are ready to go!
- ✓ To get out of the car – reverse the 5 steps.

Getting in and out of all vehicles including vans and SUVs is almost the same as a car. You may need to make some adjustments depending on your height and physical condition.

Please talk with your therapist if you have any concerns about getting into your vehicle.
